Abbott Entertainment offers:

- **Swinging with Sinatra**
Kevin Abbott puts the suave back into swing as he brings you some of the best loved songs of Frank Sinatra, Bobby Darin, Dean Martin and Michael Bubl ! For the chance to relive the magic of the famed "Rat Pack" era when music told a story, when chivalry was king, and when songwriters knew how to flirt with the subtle lyric, Kevin will entertain and delight both you and your guests. Available for corporate functions, private parties, or dinner entertainment.
- **Emcee & Entertainer**
If you need an entertainer who can keep your evening on track, read the mood of a crowd, and match his presentation with the tone of the event, look no further. With a quick wit and a subtle charm, Kevin has also been an on-air broadcaster for over a decade which allows him a flexibility and professionalism found in the best of MC's.
- **Line Dance / Barn Dance Caller**
If you need a 'different' idea for social, or you want a western-themed party, or just an excuse to wear those cowboy boots in your cupboard, then call Kevin Abbott today. You provide the venue, he will teach you each step before putting it to music – and yes anyone can do it, from Grade 5's to retirement parties. He's been doing it for over 21 years!

TESTIMONIAL:

Singing (Jackie Quail @ Steenberg Wine Estate) - "The combination of Kevin's incredible voice and charismatic stage presence made our Christmas Carols Concert at Steenberg the best one yet! His interaction with the crowd captivated everyone from beginning to end. Kevin's professionalism and enthusiasm makes him an absolute pleasure to work with. I can't wait for the next show!"

Line Dance Caller (Karin Coleman) - Kevin was an absolute delight at our nursery school's annual fundraiser, a barn dance for our parents. His genuine love for what he does paired with his natural charisma and energy is a winning combination. He knows just how to get the crowd going, from the absolute beginner to the experienced dancer; everyone feels included and able to let loose and have fun. The feedback was phenomenal. He was even ready to jump in and assist in an Emcee capacity - with jokes to boot! He is our definite favourite and comes with our highest recommendation.
